Missoula Rural Fire District Board of Trustees
Fire Fighters and Administration Say

THANK YOU

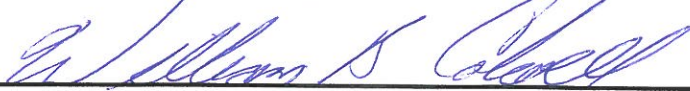

To MRFD's Voters For Supporting Resolution 2014-1

The Board of Trustees, Firefighters, and Administration thank the Missoula Rural Fire District citizens for their support of Resolution 2014-1 during the May 6, 2014 Election. The Resolution that enables the Fire District to maintain employment of six firefighter/EMTs hired with a Staffing for Adequate Fire and Emergency Response Grant was supported by District voters in that election. Sustaining those six firefighter/EMTs positions helps ensure that a adequate number of fire fighter/EMTs arrive at the scene of an emergency within the initial minutes to allow a more complete, immediate response to save lives and fight fire and to ensure that a minimum of two career firefighter/EMTs will staff the District's fire stations during virtually all peak call hours.

THANK YOU FOR SUPPORTING MISSOULA RURAL FIRE
DISTRICT

Cheryl Hanson, Missoula Rural Fire District Board Chair

William B. Colwell, Fire District Chief

Ron Lubke, President I.A.F.F. Local 2457
