**AFFIDAVIT OF PROBABLE CAUSE**

STATE OF MONTANA       )  
                                      : ss  
County of Missoula       )

SUZY BOYLAN, Assistant Chief Criminal County Attorney, Montana, being first  
duly sworn upon oath, deposes and says:

I have read the official law enforcement reports regarding the investigation of  
EVERETT EUGENE NEUHAUS for allegedly committing the offense(s) set forth in the  
complaint and based upon the information contained in the reports, if true, believe  
probable cause exists to justify charging the above-named defendant as specified in the  
accompanying complaint.

On or about the 14<sup>th</sup> day of August, 2015, officers were dispatched to a report of  
a burglary at a residence on 23<sup>rd</sup> Avenue in Missoula. The above-named Defendant was  
identified as the suspect. Jane Doe, Defendant's former partner who had broken up with  
him the day before, reported she was laying clothes on a bed with a friend when  
Defendant walked into the bedroom, started yelling at her, and grabbed her by the right  
hip, causing pain. He yanked her off the bed. He then punched Justin Chilcott, Jane  
Doe's friend, in the face. Defendant then left the residence and started calling her and

1 texting her, threatening to destroy her belongings. Some of Jane Doe's belongings were  
2 located in the front yard.

3 Chilcott reported the same events as Jane Doe. His eye was bloodshot and he  
4 reported his face was numb and swollen.

5 Defendant was located by officers. He admitted being angry because Jane Doe  
6 had broken up with him the day before. He knew where she would be staying.

7 Defendant said he went through the front door because it was unlocked. He further  
8 admitted that he went to the back bedroom where he saw Jane Doe and Chilcott. He  
9 accused them of having sex. He said he grabbed Jane Doe by the legs, taking her of  
10 fthe bed. He then said he "smacked" Chilcott then left through the front door.

11 Other witnesses reported they saw Defendant enter the house through a window.
