Cause No. CR. 2015-899

AFFIDAVIT OF PROBABLE CAUSE

BRITTANY SANTORNO, Deputy County Attorney, Montana, being first duly sworn upon oath, deposes and says:

I have read the official law enforcement reports regarding the investigation of Michael Wayne Silva for allegedly committing the offense(s) set forth in the complaint and based upon the information contained in the reports, if true, believe probable cause exists to justify charging the above-named defendant as specified in the accompanying complaint.

On or about the 26th of September, Sergeant Stevenson and Officer Malone responded to 1120 Shakespeare to a report of a physical disturbance between a male and female. Upon arrival, Officer Malone made contact with the victim, Tana Pickett, who was hysterical and unable to speak for several minutes. After she had gathered herself, she stated there had been an argument and the Defendant had gotten physical. Tana stated she had been choked repeatedly for an hour by the Defendant after she had attempted to leave. She stated she had been in a relationship with the Defendant for about two years, but it had recently ended.

Sergeant Stevenson made contact with the Defendant. He admitted to grabbing Tana in a hugging embrace to stop her from leaving. Officer Malone then spoke with the Defendant to confirm or deny Tana's recollection of the events. The Defendant stated he and Tana were in a two year relationship and she was leaving him and he did not want her to. The Defendant said he had physically restrained Tana trying to keep her from leaving. He also admitted his hands may have ended up near Tana's throat when he was restraining her. He also stated he believed the physical contact probably hurt and scared Tana. He was subsequently placed under arrest.

After concluding his interview with the Defendant, Sergeant Stevenson interviewed a witness, who stated she had heard ongoing yelling and arguing and had observed the Defendant restrain Tana, throw her on the ground and throw her into a vehicle. She also observed the Defendant jumping into Tana's face as if he was going to punch her.

After speaking with the Defendant, Officer Malone returned to speak with Tana. At this time, she had collected herself enough to give more information. She stated the altercation had begun when she was inside her van and the Defendant was in the back. He became angry when she wanted to leave and the Defendant came up and grabbed her from behind and began choking her and pulling her into the back of the van. The Defendant continued to choke Tana, stating he was not going to let her leave. At this point, Tana stated she believed the Defendant was going to kill her. She further stated, at one point she blacked out and came to just before the Defendant was able to reach a baseball bat in the front seat, which she felt he was going to kill her with.

Officer Malone photographed Tana, finding bruising and redness on both of her arms and slight redness on her neck.
