Establishment of Internship Program

The stations had an intern from Amarillo College in January 2018 and he completes his program in May 2018.

The intern responsibilities have included helping with live broadcasts, going on location with station DJs, helping to set up equipment. He also worked with the DJ's in the studio.

His work in promotions involved hanging banners, taking pictures and meeting/greeting listeners at live events.

He also has had experience in recording programs into NexGen to play on the air.

The spent time learning the production aspects of radio, including the rules of production and interaction between air talent to sales and to clients. He has learned about sales, traffic, being on the air, producing commercials and had a well rounded knowledge of the radio industry at the time of their completion of the internship.
