The Katelyn Stinnett Story

On December 3, 2008, 2 year old Katelynn Stinnett died of injuries she sustained when she sexually abused by her 18 year old baby sitter.

Thousands of Bikers all across the nation grieved for the loss of this baby girl. The Bikers took up collections and paid for her burial and headstone. The Headstone is inscribed with a poem written especially for Katelynn.

"When I look down and hear the pipes roar, I will spread my wings and with you soar"

We have vowed to not to forget Katelynn and the thousands of children who suffer from child abuse each year. Consequently in 2009 we decided to hold a nationwide event each year in honor of Katelynn, and to raise money and awareness to help locals child abuse prevention agencies and groups.

How it all works.

Each state conducts its own ride or rides. All the rides will occur upon the same day, every third week of June, this year it is June 18th. Every run chooses a 501(c)(3) charity in their area that will benefit from the monies raised from the run. In Wyoming it is the Prevent Child Abuse of Wyoming -(PCAW - a Wyoming 501(c)(3) not-for-profit Charity)

We want to raise money and give voice to the children that suffer, we hope to stop the abuse and help to provide loving care and support. **So many kids need our help.** Child abuse is on the rise all across the nation, the statistics are alarming!

The Katelynn Stinnett National Memorial Run in Wyoming is looking for sponsors, volunteers, donations and run participants. Please get involved in our local effort in any way you can.

This is a great event, a great opportunity to help raise money and awareness, and a chance to help change a child's life, or even possibly save a child's life.

So what are you going to be doing this coming Saturday June 18th in Wyoming?

Our 3rd Annual Katelynn Stinnett National Memorial Child Abuse Prevention and Awareness Run and Event, has been very successful in the past...
