

15. **Document Requested:** March 25, 2011, "Ocean Community College procurement" email sent from Ms. Karen Papakonstantinou to Mr. Joseph Reilly regarding contact with the State

**Document Requested:** February 22, 2011, email from Mr. Ted Fanikos, Office of the State Comptroller, to Mr. Mark Bowcock, requesting documentation on three contracts

**OCC Response:** The email from Mr. Fanikos specifically states the following: "The information contained in the email is advisory, consultative or deliberative material and is OPRA exempt pursuant to NJSA 52:15C-10(b)(5)." Therefore, the email cannot be released.

The Comptroller's Office did request documents from the College. OCC fully complied with the request and the matter was closed. There was no investigation and no penalty or negative comment from the Comptroller's Office was received.

**Document Requested:** June 15, 2011, email from Mr. Peter Tomko to Mr. Fulvio Cesco-Cancian concerning banning Peterson Company from campus work

**OCC Response:** This email was deleted and has not been recovered.

Joe,

With respect to the e-mail Mark received on 2/22/11 from the Office of the State Comptroller did you at any time have contact on this issue with anyone at the State; specifically with reference to the three contracts?

For future reference: If you or any of the purchasing staff receive or make any inquiries from the State or any other outside agencies you need to immediately report such activity to me.

Karen Papakonstantinou
