

# CITY of UTICA PROCLAMATION

**WHEREAS**, Utica City FC, the new professional arena soccer league franchise playing out of the Adirondack Bank Center, has remained undefeated at home during the first part of their inaugural season; and,

**WHEREAS**, the City of Utica is synonymous with Saranac Brewery, the fourth-oldest family-owned brewery in the United States, famous for their premium American lager, Utica Club; and,

**WHEREAS**, this Sunday, January 6, Utica City FC looks to continue their undefeated streak at home against the Milwaukee Wave, the only team that sits above Utica City FC and remains undefeated; and,

**WHEREAS**, Milwaukee also boasts their share of brewing history, as they are also known for their version of an American lager, Milwaukee Best, which is brewed in Wisconsin; and,

**WHEREAS**, the City of Utica, along with Saranac Brewery, fully support the winning efforts of Utica City FC, and will do everything in their power to help keep them undefeated on home turf.

**NOW, THEREFORE, I, ROBERT PALMIERI**, Mayor of the City of Utica, do hereby proclaim that on Sunday, January 6, 2019, for the entirety of the day, Milwaukee Best beer will be banned in the Adirondack Bank Center, and its consumption will be discouraged throughout the City between the hours of 2:00-6:00 PM. This proclamation stands in solidarity with Utica City FC and Saranac Brewery in support of the great City of Utica.
