HOW OUTDOOR LIVING SHOULD FEEL.

Trex Transcend®

Trex® at its very best

Transcend decking's deep wood-grain pattern and eight luxury colors create a premium, ageless look that leave other composites in the dust.

- » No sanding. No staining. No painting. No kidding. (Not to mention simple soap-and-water cleanup.)
- » Fade, Stain, Scratch and Mold Resistant
- » Transcend maintains its vibrant color and luxurious finish—come scorching sun or red-wine spill—thanks to its unyielding, three-side shell protection... and our 25-Year Limited Residential Fade & Stain Warranty.

A Green Deck

See how using a 95% recycled board (that's almost the whole thing) makes you feel about the great outdoors.

Vintage Lantern, Firepit, Lava Rock, Spiced Rum, Tree House, Tiki Torch, Rope Swing, Gravel Path

Railing

Generally, wherever there's decking, there's railing—usually the showiest part of any outdoor space. Luckily, Trex® modular components let you mix and match myriad colors, finishes and materials nearly any way you wish. Three distinct lines—Trex Transcend®, Trex Reveal®, and Trex Select®—ensure the most durable, most luxurious railing around.
