

FEATURING JALAN CROSSLAND

Fire Pit Competition
Fairgrounds Industrial Building
3/07/17

2017 Fire Pit Competition Application Guidelines:

- 1. Only non-flammable materials may be used in the construction of the fire pit.**
- 2. Only original designs will be accepted.**
- 3. Wood will be provided for wood-burning Fire Pits, however propane and all connections must be provided by the artist for propane-burning submissions.**
- 4. You may enter the competition as an individual, team or business.**
- 5. The entry fee is \$50 per submission. This fee includes 2 tickets to the Best of 307 event.**
- 6. Entry applications and payment must be received by February 17th.**
- 7. All submissions must be transported to the Fairgrounds Industrial Building site by 4:00pm on Tuesday, March 7th. Fire pits will need to be removed by the artist between 10:00-10:30pm on Tuesday, March 7th.**

Submissions must also meet the following Natrona County Fire Protection District Guidelines:

- Maximum fuel area is 3 feet in diameter and 2 feet high.**
- All wood-burning submissions must utilize a screen or spark arrestor, and it must be in place while burning. Propane submissions do not require a screen.**

Any representative from the Best of 307, The Natrona County Fire Protection District, The Natrona County Fairgrounds, or the City of Casper Fire Department reserves the right to disqualify or extinguish any fire pit submission for any reason, at any time.

PRIZES:

There will be 2 prizes awarded: Grand Prize (voted on by a panel of Judges including community leaders, sponsors and artists), and a People's Choice Award.

- **The Grand Prize winner will receive a \$500 cash prize**
- **The People's Choice winner will receive a prize package from the Best of 307 vendor and sponsors.**
