**PARKS & RECREATION – ELMER THOMAS PARK PLAYGROUND**

***NOTICE PUBLISHED 4/6/2022***

The City of Lawton's Parks and Recreation Department has closed the playground in Elmer Thomas Park until further notice. A shade structure over the playground collapsed due to last night's high winds. Also, due to recent rains, the ground may prove unfavorable for city staff to get proper equipment to the playground, therefore the repairs may take some time.

Updates regarding the playground will be made to [lawtonok.gov](http://lawtonok.gov). For questions, please call the City of Lawton's Parks and Recreation Department at 580-581-3400.

Thank you.
