

A New Star Rises at Comanche Red River Hotel Casino: Star House Restaurant Opens Its Doors

New dining destination pays tribute to Quanah Parker while serving up Oklahoma favorites, steaks, seafood and more

Devol, OK — October 1, 2026 — There's a new place to eat, drink and gather at Comanche Red River Hotel Casino, and its name carries a story that reaches deep into Oklahoma history.

Star House, the casino's newest restaurant, is now open, offering guests an expansive menu filled with Oklahoma favorites, American classics, steaks, seafood, burgers, sandwiches, salads and desserts — all served in a setting inspired by one of the state's most recognizable historic figures, **Comanche leader Quanah Parker**.

The restaurant takes its name from the historic **Star House**, home of famous Comanche Chief Quanah Parker. More than a name on a sign, Star House is intended to honor that connection to Comanche history while creating a modern gathering place for today's guests.

And there's plenty happening on the menu.

Guests can begin with favorites such as **spinach artichoke dip, Oklahoma white wings and fried pickles**, before moving on to an impressive selection of entrées.

Hungry for a burger? Star House has several. Looking for a sandwich? There are plenty to choose from. Guests seeking something lighter can select from **several salads**, including a hearty **steak salad**.

For those looking for a substantial meal, the menu features **pot roast, Atlantic salmon and baby back ribs**, along with several cuts of **Choice steak**, including two steakhouse staples — **ribeye and filet**.

And because it wouldn't be an Oklahoma-inspired menu without some serious comfort food, Star House serves up favorites including **fried chicken and chicken fried steak**.

"We wanted Star House to be a place that feels welcoming to everyone — a place where you can come for a great meal, meet friends, bring the family or enjoy a drink after a day at the casino," said Sterling Ticeahkie, General Manager. "At the same time, the name gives us an opportunity to recognize an important part of Oklahoma and Comanche history."

Something for Everyone

Families are also part of the Star House experience, with a dedicated **kids menu** offering selections for younger diners.

And for those who save the best for last, Star House offers a **wide variety of desserts**, providing plenty of ways to end a meal on a sweet note.

The restaurant's **full bar** makes Star House a destination beyond the dinner table, with a selection of beverages and **Comanche's own War Pony beer available on tap**.

Whether it's a steak and a glass of wine, a burger and a cold beer, fried chicken with all the fixings, or a family meal followed by dessert, Star House is designed to offer something for virtually every appetite.

Open Seven Days a Week

Star House is open **every day from 11 a.m. to 11 p.m.**, giving casino guests and the surrounding community an opportunity to stop in for lunch, dinner, drinks or a late-evening bite.

With its combination of Oklahoma comfort food, classic American dining, steaks, seafood, family-friendly choices and a full bar, **Star House is ready to become a new gathering place at Comanche Red River Hotel Casino.**

And while the menu looks toward today's diners, the name looks back to a remarkable chapter in Oklahoma history.

The Star House has a story to tell — and now there's a menu to go with it.
