2 image that could be categorized as child pornography on the account of

4 Children (NCMEC) of their findings and NCMEC sent this information to the Internet
5 Crimes against Children Taskforce in Montana.

6 Detective Shermer of the Missoula Police Department received the information
7 from NCMEC in June 2015 and viewed the uploaded image provided. The image

9 ages of 13-15, and is lying down on his back, with a full erection. The other boy is
10 shirtless, resting his left shoulder on the other boy's stomach and holding onto the boy's
11 penis with his right hand. The shirtless boy has his mouth about an inch from the penis
12 and has what appears to be semen dripping from his mouth. This boy appears to be
13 between the ages of 10-13 years of age.

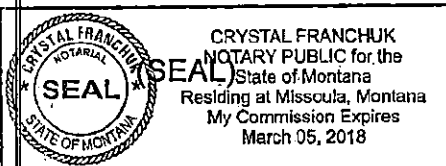

14 Detective Shermer issued an investigative subpoena to the internet service
15 provider and they listed the account holder as Jay Palmatier. Detective Shermer spoke
