AFFIDAVIT OF PROBABLE CAUSE - Page 1 of 8

1 the charges. The facts from those reports are as follows:

2 On or about March 6, 2018 at approximately 3:48 a.m., Missoula City Police  
3 Officers were dispatched to the South Avenue Market at 2401 S Higgins Ave. regarding  
4 a reported shooting. Upon arrival, Officers found Christopher Dobson laying in the  
5 middle of the parking lot with an apparent bullet wound to the left center side of his  
6 back. He was also bleeding from his head.

7 Officers also spoke with the store clerk and 911 caller, Richard McAfee, who was  
8 transported to the emergency room where a bullet was removed from his shoulder from  
9 the incident. McAfee stated he and Dobson were chatting near the counter of the store  
10 when two males entered the front door. McAfee remembered seeing a handgun in one  
11 of the male's hands, and the other male had pepper spray. He then heard two gunshots  
12 and witnessed one of the males pepper spraying Dobson. McAfee remembered  
13 jumping down behind the counter and seeing one of the males standing over him. He  
14 remembered seeing a gun pointed in his direction, hearing a shot, and feeling pain in  
15 his shoulder.

16 Officers observed blood and pepper spray on the floor of the convenience store.  
17 Officers reviewed the convenience store's video surveillance. The surveillance showed  
18 two suspects entering the store. The first suspect had a firearm and immediately shot  
19 Dobson. Dobson dropped to the floor and the suspect shot him again while the suspect  
20 stood over Dobson. The same suspect then walked behind the counter, stood over  
21 McAfee and shot McAfee. The second male suspect entered behind the first and  
22 pepper sprayed the counter and Dobson. Both suspects immediately fled the store  
23 without taking anything. The surveillance video showed the suspects leaving the area  
24 on foot.

1 Police interviewed Dobson, who stated that he went to the convenience store at  
2 around 3 a.m. to speak with his friend, McAfee. He stated he was standing with his  
3 back to the door when he heard three shots. He stated he quickly realized he had been  
4 struck and fell to the floor. He explained that he thought he heard the suspects  
5 grabbing things while they were inside the store.

6 On March 7, 2018, Detectives received information that Drake Grace and Ivory Brien  
7 are roommates in Miller Hall at the University of Montana. Detectives learned that  
8 Grace had identified Brien and their mutual friend, Chase Munson, as the parties  
9 involved in the shooting. Detectives obtained phone numbers for Munson and Brien.

10 Detective Stacy Lear reviewed video surveillance from Miller Hall and observed  
11 on March 6, 2018, four individuals left Miller Hall together at approximately at 1:50 a.m.  
12 The first male, who could not be identified at that time, put on a winter hat/beanie with  
13 the word "IRISH" on it with a pom-pom on the top, and also put on a pair of goggles.  
14 The male was wearing a dark-colored hoodie and a low-slung Under Armour backpack.  
15 The hat/beanie, hoodie, and backpack all match the clothing worn by the shooter in the  
16 surveillance video from South Avenue Market.

17 Detectives identified a second male in the Miller Hall surveillance as Drake  
18 Grace. Grace was wearing a black hoodie with the hood up, maroon pants, and black  
19 shoes with white soles. Grace's right hand was wrapped in a white bandage.  
20 Detectives identified a third male as Nathan Polakoff. Polakoff was wearing a purple  
21 coat, and put on a face mask. Detectives identified a fourth male in the surveillance as  
22 Ivory Brien. Brien was wearing a light-colored hoodie and is carrying a dark-colored  
23 backpack.

24 Viewing the same surveillance from Miller Hall, Detective Lear observed three of

1 the males return together on March 6, 2018 at 4:10 a.m. Grace and Brien are easily  
2 identifiable from their clothing and faces. The third male, who could not be identified at  
3 that time, was smaller in stature. He had longer brown hair (down to his collar) and was  
4 wearing a light grey hoodie with blue writing on the front and a light grey stocking cap.

5 Officers located Grace in a dorm room at Miller Hall. In a recorded statement after  
6 waiving his Miranda rights, Grace identified Munson as the shooter and Brien as the  
7 person using pepper spray at South Avenue Market. Grace explained that on the night  
8 of the shooting, he, Munson, Brien, and Polakoff were out walking around and doing  
9 “hood rat shit,” including breaking into cars. He confirmed that after a while, Polakoff  
10 left the group, and he (Grace), Munson, and Brien continued toward the convenience  
11 store. Grace stated he asked Munson and Brien why they were heading towards the  
12 convenience store, but Munson and Brien refused to answer. Grace stated that Brien  
13 eventually informed him (Grace) that Munson had a gun, so Grace left the group and  
14 walked back toward campus. He then heard a “pop” and saw Munson and Brien  
15 running faster than he had ever seen them run in their lives.

16 Grace stated that he had previously seen and handled Munson’s gun, which he  
17 described as an antique revolver with a wooden handle. He explained that Munson  
18 obtained the gun on a different occasion while “car hopping.” Grace reviewed still  
19 photographs taken from the Miller Hall surveillance video. He identified the four males  
20 seen leaving Miller Hall on March 6, 2018 at 1:50 a.m. as Munson, Brien, Polakoff, and  
21 himself. He identified the three males returning to Miller Hall as Munson, Brien, and  
22 himself. He also identified the backpack worn by Munson as belonging to Munson.  
23 Grace said that Munson admitted to doing the shooting while Brien admitted to using  
24 the bear spray.

1 Detectives executed a search warrant on two dorm rooms at Miller Hall where  
2 Munson and Brien had reportedly been staying. Detectives recovered clothing that  
3 matched the clothing worn by Munson and Brien during the shooting. They also  
4 recovered a backpack that matched the backpack worn by Munson on the convenience  
5 store surveillance video. An empty pepper spray holster, ammunition, and a revolver  
6 cylinder of the same caliber believed to be used in the shooting were also seized during  
7 the search.

8 Detective Lang obtained geolocation data for Brien's cellular telephone number,  
9 which placed the phone at Days Inn Missoula Airport at 8600 Truck Stop Road in  
10 Missoula County. Based on the location of Brien's phone, Missoula County Sheriff's  
11 Deputies conducted surveillance at the Days Inn Missoula Airport and determined that  
12 Munson rented room number 105 and was currently staying in that room. Brien was  
13 taken into custody after contact with Flathead Reservation Tribal Officers.

14 On March 8, 2018, Detective Blood learned from Days Inn staff that two males had  
15 just checked out of room 105 and were leaving the premises. Several officers and  
16 deputies arrested the males, who were identified as Munson and John Bullen. Munson  
17 was carrying a grey Adidas backpack, which officers seized. Detective Lear later  
18 obtained a search warrant for Munson's backpack and located a Ruger .22 caliber  
19 revolver inside of it. She also found a 100-round box of .22 ammunition. Eighteen  
20 rounds were missing from that box.

21 Detectives interviewed Bullen, who stated that on March 7, 2018, he and a friend,  
22 R.C., decided to go to campus to visit Munson. They were stopped by University of  
23 Montana Police at Miller Hall so they left to get food. As short time later, Munson sent a  
24 message to R.C. asking him to come back to campus. Munson explained that, "he was

1 in trouble” and had to “leave for a while.” Bullen and R.C. returned to campus and met  
2 up with Munson, Brien, Grace, Polakoff, and “Gordy.” Munson reiterated to Bullen that  
3 he had to leave for a while and that he probably wouldn’t see Bullen again for some  
4 time. Munson, Brien, and Bullen then decided to rent a room at Days Inn and stay for a  
5 night.

6 Bullen also stated that he was in the dorm room on the night of the shooting. He  
7 explained that Munson, Brien, and Grace all went “car hopping” and then returned to the  
8 dorm room during the early morning hours. At that time, Bullen heard Munson say, “I  
9 just shot two people” and “I just shot two guys.” Bullen observed Munson handling an  
10 old-western-style handgun after the shooting. Bullen confirmed that Munson put the  
11 gun in his backpack. Bullen also said that he last saw the bear spray in Munson’s  
12 backpack, but noted that he had seen Brien handling it earlier.

13 Detectives interviewed Polakoff, who stated that on the night of the shooting, he was  
14 hanging out with Munson and Brien. He believed that they had consumed Xanax and  
15 were acting drunk. Around 2 a.m., Munson, Brien, Grace, and Polakoff decided to go  
16 “car hopping.” Around 3:30 a.m., Polakoff returned to his dorm room and went to bed  
17 while the others continued on. A short time later, Grace “barged” into his dorm room  
18 and said, “They just shot two people!” Grace pointed in a south, southwesterly  
19 direction—which is the direction of the convenience store. Munson and Brien then  
20 entered the dorm room and, according to Polakoff, were “bouncing off the walls.”  
21 Munson said, “We just shot two people!” Munson explained to Polakoff that “We just  
22 tried to rob that convenience store. They tried to go for the alarm, so we shot them.”  
23 Munson described the details of the shooting to Polakoff and admitted to firing multiple  
24 times. While Munson was discussing the shooting, Brien admitted that he “bear maced”

1 someone.

2 Detectives interviewed Brien, who confirmed that on the night of the shooting he was  
3 “car hopping” with Munson, Polakoff, and Grace. He stated initially that he and Chase  
4 went into the store, he did not know Chase had a gun and that he (Brien) did not intend  
5 to kill anyone.

6 Brien stated that after Polakoff left the group, he (Brien) and Munson decided to do a  
7 “beer run” while Grace fell back. Brien and Munson stood next to Hoagieville (south of  
8 the convenience store) and discussed going into the convenience store. Munson asked  
9 Brien something to the effect of, “Want to do this?” and Brien replied, “I don’t know”.  
10 Munson showed Brien his gun and gave him (Brien) the pepper spray. Brien stated  
11 that he thought this was a beer run and that Chase wanted money.

12 However, Munson and Brien then entered the convenience store, and Munson  
13 started shooting. Brien admitted that he pepper sprayed the first victim and then  
14 followed the second victim with the spray. Brien stated he then got scared and ran  
15 outside.

16 Brien confirmed that Munson fired three shots. He stated that Munson shot the first  
17 victim in the back and the back of the head. He stated that Munson then shot the  
18 second victim, and that was when he (Brien) ran. Brien stated that they didn’t take  
19 anything from the convenience store.

20 Lastly, Detectives attempted to interview Munson. While they were asking him basic  
21 introductory questions regarding his name, date of birth, and employment history,  
22 Munson blurted out, “I’m going to tell you, this is what happened to me.” Munson said  
23 that Brien called him on March 7, 2018 and asked to meet. When they met up, Brien  
24 handed Munson the backpack that he (Munson) was arrested with. Munson denied

1 ownership of the gun. Munson also mentioned that on the night of the shooting his  
2 memory was fuzzy because he was "on Xanax." Munson declined to provide any  
3 further statements.
