

As of May 12, 2021

MASKS STILL REQUIRED HERE!

The following places* still require masks:

- Healthcare facilities
- Many schools and childcare facilities
- University of Montana
- Missoula International Airport
- Mountain Line
- Federal buildings
- Some local government offices, particularly those with high public use
- Private businesses and other entities that choose to require masks

*This list may not be all inclusive, as other entities not listed here may require masks.

Thank you for your cooperation!
