

# The BBBS Holiday Express is coming to town!

Big Brothers Big Sisters is holding a winter fundraising event that is open to the entire community. Funds raised will support local programs and services. The event was created with the following in mind:

- \*This is a community event to encourage parent/ guardian/ child involvement and interaction.
- \*500 attended last year's premiere event.
- \*The event is targeted to provide opportunities to low income families and those that don't have the resources to participate in many of the other local holiday events.
- \*This event gives our Bigs and Littles a way to celebrate the holidays together without cost.
- \*Participants will be able to observe our matches interacting, encouraging recruitment of both Bigs and Littles.
- \*Activities include craft projects that children can make for family gifts – encouraging free and creative ways of gift giving.
- \*A cakewalk (the most popular activity) gives families a chance to win a homemade holiday treat.
- \*Community collaborations in areas of entertainment/ booth participation/activities.
- \*Participants are encouraged to bring a Christmas ornament to hang on a tree. The tree will be donated to a Casper family in need.
