

CHIEF OF POLICE

In 2003, I was elected Chief of Police, allowing me to begin my journey of providing the people of the City of Scott with a safer place to live and work, and community that our kids can safely play, learn and grow.

In 2007, 2011, and 2015, I was re-elected to continue my service and leadership to this great community. It is with great gratitude that I recognize it is only with the confidence, support and trust of family, friends and the people of Scott that I am fortunate enough to continue my service. As a career law enforcement professional with over 29 years of service, 14 years with Lafayette Sheriff's Department and in my 15th year as Chief of Police, I still have the passion and commitment to work hard to protect the lives and property of our people in Scott. I am committed to ensuring that our law enforcement personnel are well-trained and properly equipped to best serve the people of our great city.

During my four terms in office, we, the Scott Police Department, have continued to raise the bar in providing professional law enforcement officers who make the safety of everyone in Scott their first priority. According to the FBI Uniform Crime Data reports from the last four years, the City of Scott has been ranked the safest city in Lafayette Parish and is in the top seven safest cities to live in for the State of Louisiana. With over 300 cities in our state, the Scott Police Department is very humbled and proud to serve such great citizens and businesses.

While serving as your Chief of Police, I have professionally represented our great city on the state level. I was appointed by the governor's office to serve on the Louisiana Commission on Law Enforcement and Police Officer Standard Training (POST) boards for six years as well as the Law Enforcement Executive Management Institute for three years. I am also a past president for the SW Chief Association and the Louisiana Association of Chiefs of Police.

I am announcing today that I plan to continue my journey as your Chief of Police for the City of Scott and seek re-election on **November 6, 2018**. I am asking the citizens of Scott for their continued support and the honor of continuing to lead our police department while working with our mayor and council during the continuing growth of our city.

I thoroughly enjoy my job as your Chief of Police and it is an honor and a privilege to serve the people of Scott. I wish to thank you in advance for your consideration, continued support and vote on November 6, 2018.

Keep Safe,

Chief Chad Leger
Scott Police Department
