

WKXW Listener Declaration

I am a listener of New Jersey 101.5, WKXW(FM), Trenton, NJ.

New Jersey 101.5 has notified me that another radio station that the Federal Communications Commission (FCC) may authorize to go on the air might interfere with my ability to listen to New Jersey 101.5, and has asked me to show my support for the station by telling the FCC where I listen to New Jersey 101.5 and objecting to any possible interference before it occurs.

I am a current listener to New Jersey 101.5 on the radio and either (1) live in or near the areas of Edgewater, Fairview, West New York, Union City, Hoboken, Secaucus or Ridgefield, Ft. Lee and Cliffside Park, NJ, or (2) commute daily from within one or more of those areas to the following address:

I would be troubled if another radio station caused interference that prevented me from listening to New Jersey 101.5.

I am therefore providing this declaration to New Jersey 101.5 so that the FCC is aware that it should not authorize another radio station that might interfere with my listening to New Jersey 101.5. Aside from being a listener of the station, I have no employment or business relationship with New Jersey 101.5.
