

Survivor Class Application

Heart diseases and stroke remain the No. 1 and No. 5 killers of Americans, although largely preventable.

The American Heart Association (AHA) and Go Red for Women has grown because of the passion inspired by heart and stroke survivors known as **The Survivor Class**.

They strive to educate and inform you of various heart disorders through their own personal experiences. They ask you, the participants, to instill their passion as you raise money that will be used for research and education. They hope the knowledge you gain from listening and/or reading their stories will make you want to involve your family, friends and colleagues on your team and fundraising efforts.

Ambassadors are required to provide a survivor story along with a photograph. All selected Survivors are also required to sign a talent release and HIPAA form. **Survivors will be featured on local media outlets.**

Responsibilities may include but are not limited to:

- Interviews relating to the Go Red for Women Campaign
 - Radio
 - Television
 - Social Media
 - Local Media Outlets
- Involvement at the Go Red for Women Luncheon on May 1, 2019 and May 2020
- Other events that you may be asked to attend:
 - Open Your Heart Events
 - Rome Go Red for Women Luncheon in February 2020

If you are a survivor or know a survivor of heart disease or stroke, please send the story to the Go Red for Women committee.

Nominations can be submitted by:

- Emailing the completed form to **heartofutica@heart.org**
- Faxing the completed form to **315.732.6563**
- Mailing the completed form to **American Heart Association ■ Survivor Class
125 Business Park Drive, Suite 106
Utica, NY 13502**
