WRESTLING CONSIDERATIONS

Each school should develop a plan with their local health officials to successfully complete the winter season. Below are considerations to include in your plan.

Special Considerations for the use of the following equipment:

- Mouthguards
- Head gear
- Singlet/Uniform/practice gear
- Shoes
- Any item that is held or that contacts the body (i.e.dummies)
- Individual Student Equipment/Personal Items
- Water Bottles
- Each team is responsible for its own towels, hand sanitizer and med kit

Special Considerations for the use of the following components of the facility:

- Mats/Wall pads
- Scales
- Team Areas (i.e. benches/chairs)
- Warm-Up Areas
- Weight Training Facilities
- Ticket Booths
- Scorer's Table
- Entry/Exit Doors
- Concessions
- PA Systems
- Bleachers
- Bathrooms/Portable restrooms
- Locker Rooms
- Hydration stations

Practices – Screenings, face coverings and individual hygiene of all participants should be followed in accordance with WHSAA Smart Start Guidelines and the WHSAA Screening/Monitoring form should be utilized.

- Workouts/practices should be conducted in “pods” of participants with same wrestlers working out together to limit overall exposure
- Detailed, timed practice plans should be utilized to assist in contact tracing should it be needed
- Practices should be limited to team members only (no outside wrestlers)
- Practices should be closed to all spectators
- Wrestlers should shower after each practice
- Wrestlers should wash and sanitize all practice gear after each practice

- Participants should maintain the recommended six feet of distancing between individuals when not drilling or sparring
- Limit sharing of equipment (i.e. head gear/towels)
- Face coverings are optional during practice, but are strongly encouraged before and after practice for everyone (athletes and coaches)

Events – WHSAA Smart Start Guidelines must be utilized for all events.

- Regular season contests will be individual duals only. No multiple day invitational tournaments will be allowed in state or out of state. Teams may have more than one dual in a day but must keep teams separated to meet social distancing guidelines. Only two teams per gym will be allowed to compete at the same time. Contests must be scheduled to allow for appropriate cleaning and sanitizing when new team come to the facility.
- No more than two days of competition per week, with a maximum of 16 days of competition for the season, excluding post season. A maximum of 3 duals per team, per day.
- When a wrestling room is available, the home team should use the wrestling room for their warm-up.
- Weigh-ins will be completed one team at a time.
- For contact tracing purposes, it is also recommended there be assigned seating for bench personnel. Chairs should be social distanced as much as the facility will allow.
- Face coverings are optional while wrestling but are strongly encouraged before and after contests for everyone (coaches and athletes).
- All event workers should utilize face coverings, and gloves when appropriate
- No pre or post game gatherings should take place to assist in limiting exposure. (i.e. Tailgating, BBQ's, etc.)

Post Season:

Regionals and State Tournament formats will be determined later.

2020-21 Wrestling Considerations

In support of the Guidance for Opening Up High School Athletics and Activities, the NFHS Wrestling Rules Committee offers this document for state associations to consider whether any possible rules could be altered for the 2020-21 season. The considerations outlined in this document are meant to decrease potential exposure to respiratory droplets by encouraging social distancing, limiting participation in administrative tasks to essential personnel and allowing for appropriate protective equipment.

Note: This is not an exhaustive list and there might be additional steps in each school, city, and state to help prevent the spread of virus. Even when taking all precautions, there will still be risk of transmitting illnesses. Everyone should stay vigilant about the health of members of their teams. Lastly, the situation with Covid-19 is rapidly changing. These considerations may quickly become outdated. Please keep up with the latest from the CDC and other health officials in your state.
