To My Laramie High Swimming and Diving Family,

This is a difficult letter to write.

After 34 years as part of the Laramie Swimming and Diving program, I am announcing my retirement. While I am excited about the next chapter in my life, I will truly miss teaching and coaching at LHS. My coaching career has been one of the great pleasures of my life, and I am grateful to have worked with so many incredible athletes, coaching colleagues, parents, and officials over the years. While I have put so much of my life into this aquatic family, I have gotten so much more out of it. You all have brought me immeasurable joy.

I know that our program will thrive in the coming years. I hope that the relationship between our club teams and our school teams will stay strong, our athletes will continue to support each other, and our team traditions will carry on. I am certain that I am leaving you in great hands with the remaining coaching staff, but you can be sure that I will always support the program and each of you.

Tamara is working to set up a date for a summer team BBQ so we can all be together as a team one more time. Stay tuned for information on that event.

It has been an amazing privilege to have served as your coach. Continue to work hard and stay dedicated to this program that I am so proud of and have been so honored to lead. I look forward to seeing all of the future individual and team accomplishments and wish you all the very best.

Tom
