For Immediate Release

Jon Anderson is announcing his candidacy for Oneonta Town Board

Town resident Jon Anderson is running and will be campaigning for a position on the Town Board.

Jon is married with two children, attended Unatego High School, Broome Community College, and has worked in the auto industry for the past 30 years.

"I believe, I was active as it pertains to Southside, in being instrumental in getting the highway development zoning buffers changed."

"I am running because I am passionate about the Town and want to make sure it continues to grow in all areas; especially business, residential, and recreation. I am able to look at both sides of an issue and make a decision based on what is best for the community. I will listen to all of the residents of the Town and use their input on the issue."

"Four issues I would address, if elected are: Growth of the Town in all areas, not just the Southside. Expanded cooperation between the Town and City as it pertains to shared services. To make sure our parks are safer and being better utilized. Finally, I would like to find ways to get the Town people better informed about what's

happening locally."
