

Girl Scout Troop 60670 is completing a project to earn their Bronze Award. We are creating an Oneonta COVID-19 Yearbook. We are looking to collect information from our community members to make a yearbook from this historic time. We are working with the Greater Oneonta Historical Society to present the yearbook to be used as a future reference.

We understand that COVID-19 was a global pandemic that spread quickly with devastating effect. We are looking to collect stories and information to document individual family's experiences.

Your information will be used and shared publicly. Please fill out the information to the best of your ability and willingness to share. You may fill this out as an individual or as a family.

Please send this form back by July 30th:
