

STATEMENT FROM SENATOR OBERACKER

ALBANY – 08/10/21 – Senator Peter Oberacker (R/C-Schenevus) today responded to the resignation of Governor Cuomo.

“Andrew Cuomo’s long-awaited departure opens the door for a new beginning in New York State.

“While we can now turn to rebuilding our state, it does not mean the end of multiple investigations into the departing governor and his retaliatory enablers. The brave women who stepped forward to tell their stories deserve justice, along with those who lost their lives needlessly due to the governor’s irresponsible COVID nursing home directive.

“It is also important to remember that Albany’s one-party leadership - that propped up the governor, ushered in a devastating surge in crime, and hiked taxes to an all-time high – remains in place.

“The door is open for a new beginning, and it is time to refocus our efforts on boosting our small businesses, improving the lives of individuals and families, and answering to those who elected us – that’s what New Yorkers deserve.”
