CLUB OF SEDALIA

AVENUE OF FLAGS

American made United States flag delivered and installed at your home or business on key patriotic holidays

All Sedalia area residents and businesses are invited to participate in the Avenue of Flags.

The Kiwanis Club of Sedalia will place the United States flag in front of your home or business on five significant days annually: Flag Day, Independence Day, Labor Day, 9-11, and Veteran’s Day. Our club will deliver, install and store the flags. Each flag is installed into a pre-set sleeve in the ground between the curb and the sidewalk, usually about 2’ inside the curb at a visible location. The receptacle sleeve is ground level so as not to impede walking or lawn care.

The cost for five holidays in 2024 is \$55 for a single flag. Orders of 3 flags at one address location are \$150. Orders of 10 flags are \$450. The flag service will be billed on an *annual* basis. Orders must be paid before installation.

Apply online at: <https://form.jotform.com/231268769167065>, scan the QR code OR complete and return the below application.

Please return your request as soon as possible so we can have time to set the anchors.

Orders must be paid before installation

Name: _____ Email address: _____

Address where the anchor(s) will be installed: _____
