What Sets this Show Apart?

The Dakota Garden Expo offers comprehensive quality displays of products and services in the area of lawn, garden, and home improvement. It also expands into healthy living, fashion, and even food and wine. Impressive feature areas and stages with seminars by regional experts attract attendees as well as coverage by local media. Family fun areas make the show a destination for the whole family and extend their stay by giving kids fun things to do.

A strong marketing and public relations campaign helps support the expo. Extensive radio advertising on five stations blankets the area. There is also print and TV advertising, with pre-publicity, giveaways, and live show coverage. Email and social media campaigns supplement traditional promotion efforts.

	<p>The Dakota Garden Expo was established by the NDSU Extension Service in 2009 as a resource to foster the growth and prosperity of the lawn and garden industry within the community. In 2013, Townsquare Media came on board to help market and grow the expo. The Dakota Garden Expo is the premier lawn and garden show in the state. Opportunities exist to partner with this show and be associated with one of the best-attended, well-regarded events in the area.</p> <ul style="list-style-type: none"> • April 17-18, 2020 • Bismarck, ND Event Center • 5000 Average Attendance • 100+ Exhibitors • 20+ seminars and demonstrations
