Ferguson Clean Up Event Scheduled for April 13, 2019

The City of Temple Transform Temple Department and the Stormwater Program will be hosting a cleanup event on Saturday, April 13th from 9:00am-4:00pm in the Ferguson Park Neighborhood.

“This clean up event is an opportunity for volunteers and neighbors who are interested in helping their community,” states Temple’s Resource & Volunteer Coordinator Jo-Ell Guzman. “Clean up events can positively impact a neighborhood and demonstrates to members of the community that they are cared for and that the spaces they live in are important.” Volunteers will be helping residents with yard and home maintenance such painting, small repairs, mowing, cleaning gutters, raking leaves, and removing trash and debris.

The City of Temple would like to recognize University of Mary Hardin-Baylor Students and neighborhood volunteer groups for their participation in the event. The City would also like to recognize Walmart Distribution for their donation of food and water for our volunteers.

This event is weather dependent and may be rescheduled due to adverse weather conditions. Any questions regarding the event can be directed to Jo-Ell Guzman, Transform Temple office, (254)298-5712 or jguzman@templetx.gov.
