He has served as a suicide prevention consultant to the U.S. Justice Department's Civil Rights Division (Special Litigation Section) and Office of Civil Rights and Civil Liberties of the U.S. Department of Homeland Security (Immigration and Customs Enforcement) in their investigations of conditions of confinement in both adult and juvenile correctional and detention facilities throughout the country. He also serves as an expert witness/consultant in inmate suicide litigation cases. Mr. Hayes also serves as a technical assistance consultant/expert by conducting training seminars, writing and revising suicide prevention policies, and assessing inmate and juvenile suicide prevention practices in various state and local jurisdictions throughout the country. Mr. Hayes has conducted the only five national studies of jail, prison, and juvenile suicide (*And Darkness Closes In....A National Study of Jail Suicides* in 1981, *National Study of Jail Suicides: Seven Years Later* in 1988, *Prison Suicide: An Overview and Guide to Prevention* in 1995, *Juvenile Suicide in Confinement: A National Survey* in 2004, and *National Study of Jail Suicide: 20 Years Later* in 2010). The studies were conducted through contracts with the U.S. Justice Department.

Mr. Hayes served as editor/project director of the *Jail Suicide/Mental Health Update*, a quarterly newsletter devoted to suicide prevention in correctional facilities and funded by the U.S. Justice Department; and was a consulting editor and editorial board member of *Suicide and Life-Threatening Behavior*, the official scientific journal of the American Association of Suicidology, as well as current editorial board member of *Crisis: The Journal of Crisis Intervention and Suicide Prevention*, the official scientific journal of the International Association of Suicide Prevention. Mr. Hayes has authored over 100 publications in the area of suicide prevention within jail, prison and juvenile facilities, including model training curricula on both juvenile and adult inmate suicide prevention. His *Training Curriculum and Program Guide on Suicide Detection and Prevention in Juvenile Detention/Correctional Facilities and Residential Programs: Instructor's Manual* was released in April 2013. His *Training Curriculum and Program Guide on Suicide Detection and Prevention in Jail and Prison Facilities: Instructor's Manual* was released in March 2016.

As a result of research, technical assistance, and expert witness consultant work in the area of suicide prevention in correctional facilities, Mr. Hayes has reviewed and/or examined over 3,800 cases of suicide in jail, prison, and juvenile facilities throughout the country for more than 42 years. Mr. Hayes was a past recipient of the National Commission on Correctional Health Care's Award of Excellence for outstanding contribution in the field of suicide prevention in correctional facilities.
