Sir/Ma'am

On October 8th 2026 I, Officer Noah Brum was assigned to Unit 38 (0800-1600) on routine patrol in the West end. At approximately 11:24 am I was dispatched to New Bedford Police Headquarters located at 871 Rockdale Ave in regards to a Assist Citizen.

Body-Worn Camera (BWC) video images were captured during this incident. This department recognizes that body worn cameras, by virtue of their placement on a member's uniform/clothing, do not capture all visual and auditory observation made by a member on scene. This report is a summary of the events, and not intended to capture every detail.

Upon arrival to the scene I activated my department issued body worn camera and met with the reporting party who was Identified as [REDACTED] [REDACTED] had informed me that on monday night that there was a school commitee meeting. [REDACTED] stated that at the end of the meeting around 8-8:15 pm the meeting had ended [REDACTED] had stated that when the meeting had ended,the superintendent who was Identified as Andrew Oleary came with in 18" of him. [REDACTED] had stated that Andrew had seemed very aggressive and had came up to him and he repeatedly called him a liar. [REDACTED] stated that Andrew had patted him on the left chest and he stated "Your doing a great job, good job". [REDACTED] had stated that he stated this sarcastically. [REDACTED] stated that Andrew went back to the meeting but he remained speaking to his colleagues. I asked [REDACTED] if he was left with any marks or bruises which he stated not. [REDACTED] stated that he feels like Andrew was trying to intimidate him. [REDACTED] stated that he feels like the pat was out of anger. I informed [REDACTED] that i would be contacting Andrew to get his side of the Situation. I informed [REDACTED] that he has right to go to New Bedford District Court to pursue charges if he wanted to go that route.

Shortly after Andrew was contacted and he had made his way to New Bedford Police Headquarters so I could speak to him. Andrew had informed me that after the meeting had ended he had walked over to speak to [REDACTED] Andrew stated that he had a direct conversation with [REDACTED] and he stated that he had told [REDACTED] "he made it up" refering to a portion to his speech that he felt was untrue and had tapped [REDACTED] on the left shoulder and when the conversation had ended he had walked away. Andrew had informed that had video of the incident.

In the video that Andrew showed me, Andrew identified himself as the male in the blue suit who walked over [REDACTED] and the video shows that Andrew have a short conversation with [REDACTED] and when the conversation had ended Andrew had tapped [REDACTED] on his left shoulder with his left hand. (Please see attachments for the video)

Based off the video footage of the incident i will not be requesting charges against Andrew O'Leary.

It should be noted on October 22nd 2026 at approximately 9:31 am, The first paragraph on this report included the incorrect date and time. The date and time was edited from November 8th 2026 at 11:24 pm to the correct date and time of the October 8th 2026 at 11:24am.
