Robert N. Baldwin, Ed.D.
Superintendent of Schools

Tara M. Kohler
Assistant Superintendent

Nicole V. Potter
Business Manager

Jennifer Castanhinha
Director of Student Services

Dear FPS Families,

As the 2020-21 school year has come to a close, I would like to take this opportunity to give you an update as we head into the summer. We cannot thank you enough for your cooperation as we navigated this year together.

Throughout the past year, our goal was always to keep our students and staff safe in school and to spend as much time in school as possible - while also following all state mandates related to COVID-19.

As a result of our community's diligence to health and safety during the pandemic, I'm very happy to report that as of yesterday afternoon, Dr. Baldwin and I were informed that the Commonwealth of Massachusetts is intending to not require masks in schools for the 2021-2022 school year, per Commissioner Riley.

We will keep you posted as more information becomes available prior to the school start date in August. We hope you and your family have a restful summer as we begin to return to some normalcy.

That said, if you need resources for additional learning support, food, and/or summer camp information, download the Family/Student Summer Resources PDF or visit the website http://www.fairhavenps.org/families_and_students/summer_resources_2021

Thank you again for a wonderful school year!

Tara M. Kohler
Assistant Superintendent of Schools
