RE: EEH18 dba Sunrise Bakery  
571 Dartmouth Street, Dartmouth, MA

Dear Mr. Freeman,

On November 15, 2024, you came into the Dartmouth Board of Health office and met with the Director of Public Health, Christopher Michaud and myself due to some frustration you were having with getting the Sunrise Bakery location at 571 Dartmouth Street, Dartmouth, Ma operational.

At the end of this meeting, you asked us to send you an email with a list of outstanding items. An email was sent to you that same day with the information that you requested. Since that time, the Dartmouth Board of Health has not received correspondence from you.

This letter is again reaching out to you to see where things stand. Please contact the Dartmouth Board of Health office at 508-910-1804.

Sincerely,

Christopher Michaud  
Director of Public Health
