WANT TO PLACE THE WINNING BID?

Refresh your bidding skills by following these auction tips!

- Take some time to review the auction booklet and highlight items that interest you.
- **Place your bids by calling 207-764-6100 or 1-866-902-2003. Remember that this auction supports many local charities. Your first bid should be one that gives other bidders something to consider.**
- Tune into the auction the night and time that your items are being sold.
- Don't forget the three night and one night items as you can bid on them anytime during the evening.
- Make the call and place your bid. The person answering will tell you whether your bid is too low or is a good one. If it is low, consider a higher bid.
- **Watch the auction on Time Warner Channel 9 or bigcountry969.com. Bids will be announced. You may need to call to place a higher bid.**
- **Keep your eye on the clock. Bids close on 15-minute items at the end of each 15 minutes. If you think your bid won't withstand the last wave of bids, make sure to call early to secure the winning bid.**
- Wait for a phone call as bids are confirmed after each 15-minute segment and at the end of the evening. Successful bidders are called back within the next half hour to verify the bid.
- Pay for and pick up your merchandise at the distribution center located at 17 North Street in Presque Isle during times listed to the right. There are three ways to pay: cash, check or credit card – MasterCard or Visa accepted.
- Feel good knowing that all the money raised through the auction is used to support charities in your community.
- Thank local vendors who contribute merchandise and services to the auction. The auction only happens because of their support. Working together we can make a difference in our community.

69th Presque Isle Rotary Club Auction

Tuesday - Thursday, November 29-30 & December 1 • 7-10 p.m.

On TV: Time Warner Cable - Channel 9 — Online: bigcountry969.com

Broadcast live from the Northeastland Hotel

Lights, camera...action! It is the 69th Annual Presque Isle Rotary Auction and we are so excited to welcome you back or to host you for the very first time.

The auction team has worked very hard this year to incorporate some new ideas and some previous viewer suggestions resulting in an enhanced look and re-energized feel for your viewing pleasure. Improvements include a fifteen minute bid segment versus the longer thirty minutes, digital boards listing items for reference for those that do not have a booklet and the official online streaming in lieu of radio coverage. These are all wonderful steps to make you, our viewer and bidder, to have a better experience. Stay-tuned though, more to come next auction!

Another aspect of this change includes more involvement by the six selected applicants being named our "Proceeds Partners". We have enjoyed working with our Proceed Partners which include the Aroostook County Action Program, Central Aroostook Association, Friends of Aroostook, Pregnancy Care Center, The Northern Lighthouse and United Way of Aroostook. We are excited to have the Aroostook Huskies Football as our annual special project recipient.

The new concept of the Proceed Partners partnering with the Club has allowed Rotarians to become more familiar with our recipients through dedicated programming. As well in the reverse, as it has permitted our partners to be more engaged in the auction program, our club, and their surrounding communities. The partnership design also provides the recipients an opportunity to raise additional funds beyond the Auction proceed commitment from the club.

We look forward to these tweaks facilitating bidder and Rotarian engagement by shaking things up a bit on set. All the while, Rotarians are available to help you with any questions you may have concerning these changes, items and bids. There are certainly auction tips in this booklet to help you but remember that a Rotarian is only a phone call away during these three evenings.

As for the County communities and all the individuals and businesses that are rooted in our everyday lives that we often take for granted, we send each and every one of you a huge THANK YOU! We recognize and have seen firsthand over the last 69 years, your incredible spirit of giving and support towards this auction to benefit the communities you, your families, friends and customers live in too. We thank you and are humbled by your continued generosity and support to the Presque Isle Rotary Club's Annual Auction.

After witnessing firsthand the development of three years of incredibly successful auctions, there is no doubt that our communities, its people and this club's Rotarians continue to be and are the most dedicated and loyal people, EVER. I have lived away for many years only to find myself back home to my roots with the most wonderfully, kind people that have hearts full of historical good deeds and the desire to do much, much more! What a great place to live and bring up our daughter. Thank you all for helping make this a better place for her and all our future community members, family and friends.

On behalf of the club, we hope you have fun and a memorable experience over the next three nights while supporting the 69th Presque Isle Rotary Annual Auction!

Bid high and bid often to make a difference!

Sincerely,

Gina LeBlanc-Eggert

Presque Isle Rotary Club President

Interested in Changing Our Community or The World?

Consider Rotary Membership

We are the Presque Isle Rotary Club. We are neighbors, community leaders, and global citizens uniting for the common good. With you, we can accomplish even more. Are you an established professional wanting to make positive changes in our community and around the world?

Becoming a Rotarian connects you with a diverse group of professionals who share your drive to give back. Over a meal or coffee, or even online, you will discuss: our community's needs and discover creative ways to meet them; expand your leadership and professional skills; and catch up with good friends and meet new ones.

Our club is accepting new members, so we recommend you first reach out to one of our members to learn more. It's not only a good way to get to know us—it's also a great way to get involved in our community.
