Speaker of the House-elect Jason Wentworth today released the following statement on the issue of guns in our state Capitol:

“The Speaker is grateful for the work of the Capitol Commission, but it does not have the authority to set policy in the Capitol. The Speaker will be looking at options for handling that moving forward. In the meantime, the Michigan State Police will be enforcing the new ruling. In order to ensure there is no confusion in the Capitol, Speaker Wentworth asks everyone to respect the Michigan State Police and the rules they enforce.”
