We are now turning our focus to additional surgeries, healing, rehabilitation and eventually a return home, which we hope will happen by June.*

*We want to personally thank each and every one of you for your love, prayers and support. We are astounded and so*

*blessed by the over 28,000 individuals and families, from literally around the world, that have donated to our*

*without you - God and your prayers have sustained us.*

*"As we have done before, we want to continue our plea and gratitude for your continued respect of our family's*
