STATEMENT OF PROBABLE CAUSE

The Complainant states that the following facts establish probable cause:

On March 19, 2021 at approximately 10:02 a.m. Officer Stevens of the Prairie Island Police Department (PIPD) had responded to a domestic assault incident at the location of 2077 Other Day Road in Welch Township, Goodhue County, Minnesota. During this time, at approximately 10:05 a.m., the PIPD reported a male identified as CHARLES WILLIAM CHILDS, DOB: 08/03/1991 having stolen a squad from the scene and was actively being pursued by the PIPD.

Officer Stevens had notified Dispatch prior that CHILDS left from the scene in an off-highway vehicle (OHV) as he arriving at the residence. Officer Stevens said CHILDS had also gave him the middle finger as he took off in the OHV. Officer Vanderkooi of the Red Wing Police Department (RWPD) responded emergent to assist. It was later determined that prior to stealing the squad car, CHILDS rammed his OHV into one of the garage service doors at the Prairie Island Police Department, damaging the door.

While responding, PIPD Chief Priem stated he was behind the stolen police squad, a Chevy Tahoe, and CHILDS was refusing to stop and had turned onto northbound County Road 18 from Sturgeon Lake Road. Chief Priem said he lost sight of the stolen police squad near the area of County Road 18 and Prairie Island Blvd. Chief Priem said it appeared the stolen police squad had possibly turned left onto Prairie Island Blvd. Chief Priem said the stolen marked squad car was not operating with its emergency lights or siren.

During this time, CHILDS got onto the police radio and made erratic and bizarre comments about being tortured and blackmailed. CHILDS said he wanted off the reservation. CHILDS said he did not want to do this today. CHILDS said they were illegally torturing him. CHILDS said, "What is your fucking problem." CHILDS said, "Got your fucking squad car today....wouldn't listen to Vulnerable Adult for too long." Chief Priem requested Dispatch to remotely disable the radio in the stolen squad car, which was completed.

As the incident developed, Captain (Capt.) Hanson, Capt. Voxland, and Investigator (Inv.) Sjoblom of the Goodhue County Sheriff's Office deployed in the BearCat (armored vehicle) to the location.

As Chief Priem completed his sweep of the area, we both saw a marked PIPD vehicle going southbound on County Road 18. Chief Priem asked Officer Stevens if that was him; Officer Stevens replied, "No". Officer Vanderkooi reactivated his siren (emergency lights still activated) and got behind Chief Priem. Officer Vanderkooi saw CHILDS turn onto Church Road. As Chief Priem and Officer Vanderkooi were turning onto Church Road, a train approached causing the railroad crossing gates to come down preventing officer from following CHILDS. Chief Priem and Officer Vanderkooi proceeded towards the back of the Casino. Officer Vanderkooi then backed off for Chief Priem then met up with Officer Stevens who was in the back of Casino near Church Road.

As Officer Vanderkooi stayed near the back area of the Casino, Officer Stevens said CHILDS might ram the stolen squad into Chief Priem's squad. Officer Stevens said CHILDS was traveling 70 mph and Officer Stevens was not going to pursue CHILDS. Officer Stevens and Chief Priem said the vehicle was going westbound along the service road behind the Casino towards the employee lot. Officer Vanderkooi saw CHILDS turned from the Service road and travel towards the guest parking lots of the hotel/casino. Officer Vanderkooi saw Chief Priem and Officer Stevens not pursuing and Officer Vanderkooi deactivated his siren and emergency lights. Officer Vanderkooi did notice when initially coming into the hotel/casino parking lot area there was quite a bit of pedestrian and vehicle traffic.

As Officer Vanderkooi travelled around to the front of the casino towards the main entrance to the hotel, Officer Vanderkooi saw CHILDS driving slowly through the lot. Officer Vanderkooi observed CHILDS drove the squad up onto a grassy section between the valet parking area and the hotel. Officer Vanderkooi saw the driver's side door open and CHILDS was holding the squad rifle in his hands. It appeared to Officer Vanderkooi that CHILDS had been trying to operate (load) the rifle while he stayed seated in the driver's seat with his body facing towards the opened door. Officer Vanderkooi did not see CHILDS point the rifle towards Officer Vanderkooi's direction when he opened the car door.

Officer Vanderkooi attempted to shout to people outside the casino to go back inside the casino. Chief Priem then stated CHILDS had the driver's door open and threw the rifle down. Chief Priem drove over the rifle, and was able to take control of the rifle and place it in Officer Vanderkooi's squad. Officer Vanderkooi later determined that the rifle was set to "fire," and there were no rounds in the chamber.

Officer Stevens stated CHILDS was on top of the stolen squad car. When Officer Vanderkooi grabbed the rifle, CHILDS closed the driver's door of the stolen squad and took off from the location with the emergency lights activated. The pursuit continued. Officers attempted to try the Pursuit Intervention Technique (PIT) maneuver on the stolen squad car in an attempt to end the pursuit. Sergeant (Sgt.) Lawler and Deputy Bowron set up stop sticks in an attempt to disable the vehicle. CHILDS hit the stop sticks and the tires of the squad were deflated.

Following the successful stop stick deployment, (right side tires deflating), CHILDS would return to his residence and pull into the driveway of the residence followed by multiple law enforcement vehicles (PIPD, RWPD, Dakota County, State Patrol, GCSO), where they would block him in. The BearCat would remain to the south continuing to assess the situation.

At approximately 10:40 a.m., CHILDS would briefly exited the stolen squad, and then return inside, then accelerated and rammed head on into an unmarked RWPD squad car at a high rate of speed, causing injuries to Sgt. Sather Sather and Officer Huberty of the Red Wing Police Department. CHILDS would then drive through the property perimeter fence and drive to the crowded Casino parking lot and eventually park in front of the Casino entrance.

Capt. Hanson, Capt. Voxland, and Inv. Sjoblom followed behind CHILDS and would utilize the BearCat to block access to the Casino, driving parallel to the stolen squad and directly in front of the entrance doors.

Shortly after blocking the Casino entrance, CHILDS would again drive away, driving through the parking lot and through several barriers and into overflow parking and event locations surrounding the Casino complex. CHILDS would continue to drive around the immediate area of the Casino, Sturgeon Lake Road and the open field directly west of his residence. It was determined that upon an opportunity, the BearCat would be utilized to "pin" or otherwise immobilize the stolen squad.

As feasible, officers would utilize the BearCat PA system to call out to CHILDS that he was under arrest and to stop the vehicle. CHILDS would repeatedly respond to our attempts to communicate by hanging out of the driver's window presenting officers the "middle finger" and continue driving.

Traveling through the open field, once he was again seated in the stolen squad, deputies would attempt a slow speed PIT on the rear driver-side of the stolen squad, however, CHILDS would speed up and avoid the attempt at contact. CHILDS would continue onto Sturgeon Lake Road.

At approximately 10:47, RWPD unmarked pickup truck would attempt a PIT maneuver on the stolen squad, traveling east on Sturgeon Lake Road, approaching Casino lot again. Capt. Hanson observed CHILDS

power through the maneuver, spin westbound, and continue driving westbound towards the location in the BearCat. At that time, Capt. Hanson directed Inv. Sjoblom to ram the rear passenger side of the stolen squad.

Moments later, Inv. Sjoblom steered the BearCat in a controlled manor into the rear passenger axle/fender location of the stolen squad. CHILDS drove through the impact and continued at a slow speed, westbound into the open field west of his residence.

Officers would follow behind, observing him stop the vehicle and then exit. CHILDS began walking westbound through the open field away from the vehicle. Deputies maneuvered to the north and prepare to assist converging units with taking CHILDS into custody, which included Deputy Goham and his K9 partner Valor.

While driving to the north of CHILDS' location, from the BearCat, Capt. Hanson observed CHILDS reach into his right pants pocket and remove a container, then begin to chew and swallow a large amount of a white crystal substance.

At approximately 10:48 a.m., CHILDS stopped walking and sat down in the open field and surrendered to approaching law enforcement and K9 unit. At that time, Capt. Hanson exited the BearCat to assist arresting officers and deputies.

Capt. Hanson assisted PIPD with handcuffing CHILDS, who was still in a seated position on the ground, maintaining a hostile demeanor towards law enforcement, refusing to go to the ground. Prior to Capt. Hanson's exiting the BearCat, CHILDS had been tased by PIPD arresting officer, observing wires towards his rear. While PIPD was attempting to handcuff CHILDS, Capt. Hanson maintained control of CHILDS' left arm, at which time he broke his right arm from the arresting officers' grip (partially handcuffed) and CHILDS swung at Capt. Hanson with his fist and handcuff, however missing.

CHILDS continued to resist officers, but was eventually taken into custody.

Chief Priem received an estimate of approximately \$4,000.00 to replace the garage door at the Prairie Island Police Department. PIPD believes the stolen squad car was totaled. Chief Priem estimated the value of the stolen squad car to be approximately \$37,095.00.

A review of CHILDS' driving record shows his driver's license is Canceled as Inimical to Public Safety. A review of CHILDS' criminal history shows multiple convictions and/or adjudications of delinquency for crimes of violence, including, Second Degree Assault on 07/01/2009, Fifth Degree Possession of a Controlled Substance on 08/17/2012, Fifth Degree Possession of a Controlled Substance on 04/17/2017, and Fifth Degree Possession of a Controlled Substance on 01/24/2019.
