STATEMENT OF PROBABLE CAUSE

The Complainant states that the following facts establish probable cause:

On August 2, 2021, at approximately 3:00 PM Officer Bradley Roy, of the Ely Police Department, was present during a forensic interview of Juvenile Victim A (YOB: 2003) at the St. Louis County Office Building in Virginia, Minnesota. During that interview Juvenile Victim A reported that from the time she was 11 years old until she was 13 years old (2014-2016) her mother, DAISY JOY BULEY (DOB: 3/7/1985) trafficked her to several different men in exchange for money and drugs.

Juvenile Victim A reported that the first time this occurred was when she was 11 years old and happened at the residence of her mother located in Biwabik, St. Louis County, Minnesota. Juvenile Victim A was sleeping in her bed when a man put his hand over her mouth, took off her pajamas, and engaged in penis-in-vagina sexual penetration with her, "forcefully." Juvenile Victim A estimated that the man was between 50-70 years old and said he lived with them for a period of time in Biwabik. The next morning, Juvenile Victim A told BULEY about what happened and BULEY replied that she knew about it already and that "it was fine."

Juvenile Victim A recalls six additional times that she was trafficked by BULEY. These occurred after Juvenile Victim A and BULEY moved to Ely, St. Louis County, Minnesota. The day before each of these assaults, BULEY would tell Juvenile Victim A that she could not eat, and to take a shower, shave, and "get pretty" for the men. The day of each assault, BULEY would put Juvenile Victim A in the backseat of the car and drive to the residences of the men, which were all in small towns. Once at the residence, BULEY would bring Juvenile Victim A and start talking about drugs with the men, with whom she was familiar and friendly. BULEY would then leave, and the men, estimated to be between 40-60 years old, would take Juvenile Victim A into a bedroom. Juvenile Victim A reported that some men would manually force her to perform oral sex on them, but ultimately all the men eventually engaged in penis-in-vagina sexual penetration with her until they ejaculated on her or on the bed. All of the men were much larger than Juvenile Victim A, and the men "were not gentle" with her. Juvenile Victim A stated the men hurt her by holding her down, and left bruises on her where they grabbed her on her arms, throat, thighs, and waist. Juvenile Victim A stated that during these assaults she felt disgusting and talking about it makes her nauseous. During the assaults Juvenile Victim A said that she was scared and that it felt like the men were "ripping" her body.

Once the men were finished with Juvenile Victim A, they would call BULEY who would return to pick up Juvenile Victim A. Usually, BULEY would send Juvenile Victim A out to the car, and then stay and talk with the men for a while. Juvenile Victim A said that BULEY got paid in money ("wads of cash") or in drugs and told Juvenile Victim A that was the case. Juvenile Victim A said the drugs were either pills or wrapped in clear plastic. Each of these assaults was by a different man in a different place. On one occasion the man gave her some food afterwards, and on another the man talked afterwards about NASCAR while having a beer with BULEY. Some of the men would say things to her afterwards like "nice job, kiddo." Sometimes BULEY would ask the men "how it was."

Juvenile Victim A reported that she watched BULEY inject drugs with a needle. Juvenile Victim A reported that on multiple occasions BULEY would show her pornography or force her to watch BULEY have sex with different men. Juvenile Victim A stated that she had no choice when it came to these assaults, and that BULEY threatened to kill her if she tried to fight back or tell anyone what was happening.

As BULEY's whereabouts are currently unknown, the State respectfully request that the Court issue a nationwide warrant complaint.
