FOR IMMEDIATE RELEASE

Accuride Henderson Operations Temporarily Suspended to Assess Storm Damage

EVANSVILLE, Indiana – March 29, 2020 – As a precautionary measure, Accuride Corporation has temporarily suspended operations at its Henderson, KY wheel manufacturing facility to assess and repair damage to portions of the plant's roof caused by a severe storm on March 28, 2020. Crews are assessing the damage and expect to quickly make necessary repairs and resume operations. Associates should not report to work on Monday, March 30th and may contact their immediate supervisor or Human Resources with any questions.

About Accuride Corporation

Accuride Corporation is a leading supplier of wheel end systems to the global commercial vehicle industry and has its world headquarters in Evansville, Ind., USA. The company's products include steel and aluminum commercial vehicle wheels and wheel-end components and assemblies; and steel wheels for the European automotive and global agricultural, construction and industrial equipment markets. The company's products are marketed under its brand names, which include Accuride®, Accuride Wheel End Solutions™, Gunite®, and KIC®. Accuride is a portfolio company of Crestview Partners.
