THE GALA SUPPORTS

Gift of Life Transplant House is a not-for-profit 501(c) 3 that provides services for solid organ, bone marrow, and stem cell transplant patients and their families.

It is a home of compassion, healing, and hope for patients of Mayo Clinic Rochester, of all ages from all over the world. In this supportive environment, we help ease the impact of the complex medical, financial, emotional, and spiritual burdens families are faced with on their transplant journey

Over 4,500 patients and caregivers call Gift of Life Transplant House their home every year. In 2015, we recorded 27,700 room nights occupied, which provided a total savings of $1,660,000 in lodging fees by charging a nominal $30 per night. It is solely through volunteers, fundraising efforts, and generous donations that we can continue to be **"a home that helps and heals."**
