

Keisha ([00:00](#)):

I'm good. How are you? Woo. Ready for the next story.

James ([00:03](#)):

I am ready for the next story. You sound like you can't wait to tell it.

Keisha ([00:07](#)):

This is just one that like the guy gave off like super creepy vibes. And so I don't know why I continued to talk to him for as long as I did, because the way he starts asking questions, you're just kind of like, yeah, you should stopped. Like at that first question.

James ([00:22](#)):

Alrighty. And now adventures and dating with Keisha on the Y 1 0 5 of him early morning show, episode six.

Keisha ([00:29](#)):

So his introduction was so like, are you ever worried that you'll be murdered on a first date with somebody? What

Keisha ([00:36](#)):

That was, that was the first question he asked me and I was like, well, I am now seriously. I put all kinds of precautions in place. And then he was like, oh, like what? Wow. And I was like, well, I don't share that with people. You know, in case you do plan to murder me, just know that there's about four people who have your information know, know where we're at and what time I'm expected to check in with him. And they will not hesitate to avenge my murder. Wow. And he continued. He's like, don't worry. I would never share your secrets. And so I was like, okay, well, if he's gonna be like super sketch, I'm gonna try to like sketch him out. Like even more. So I was like, also know that if I'm murdered, I fully plan on haunting my murderer for the rest of their life. No matter where they go. Wow. I will not hesitate to haunt them in prison either.

James ([01:26](#)):

Wow.

Keisha ([01:28](#)):

And then he was like, well, that sounds a little stream, but don't worry. I have no plans to murder. You wanna plan a day to get together?

James ([01:37](#)):

No, I just on saying, wow, Keisha.

Keisha ([01:41](#)):

Right. And then I was like, well, I feel like that's what a murder would say. So I'm good.

James ([01:47](#)):

Wow. Just, just, you said

Keisha ([01:48](#)):

He, like his profile said he like Hamed in the woods too. And I was like, ha,

James ([01:53](#)):

Well, that certainly fits. So

Keisha ([01:56](#)):

Yeah, it totally fit though. Like the murderer profile I was, I was like, maybe I should have stopped at that first, like when he first app, but I was curious to see where he was going. So I wanted to keep like, talking to him just to see where he was going. But then I was like, should, should have blocked him at that first at that first question there.

James ([02:14](#)):

Yeah. Like you, I sometimes stretch the limits of what I should or shouldn't do because where is this gonna go? This is fascinating to me.

Keisha ([02:21](#)):

Right. Well, and I do enjoy it. Good. Like I enjoy a good like murder show. Like I like watching, like, you know, those, those murder shows and try to figure out who done it and stuff like that are like the ones where you're like, oh my gosh, I'm never going camping in the woods by myself ever again, like, you know, those kinds of movie or shows, I love watching those. So I was like, well, maybe he like, maybe he saw my dating pro for that. I really liked those shows. So he's asking, like, I was like, maybe that's where he's going with. This is he's trying to like find something to like connect with.

James ([02:52](#)):

I, you know, I don't,

Keisha ([02:54](#)):

But yeah. So I very quickly after that conversation took off that I like watching crime shows on my dating profile. I was like, not leaving that on there anymore. After that one.

James ([03:05](#)):

Nope. Delete extra good to be that safe because yeah. Good. Heavens I mean, what if that guy had not presented himself that way? And then later on during the day saying, oh, you're worried about getting murdered. Hmm. Gonna call my back. Right.

Keisha ([03:19](#)):

What would you, right. Like what would I have done if like we were on the first date and he had asked that question and our first date was like a hike or something. I would've been like how far is my cell phone service ranged out here. So stay safe out there. People

James ([03:34](#)):

Indeed. Keisha, thank you so much for another in this case, wild edition of adventures in dating with Keisha, you are continually astounding all the audience and this explains why it's the number one new show on network TV. Awesome.
