Adventures in dating with Keisha episode five.

Keisha ([00:03](#)):

So my story today, I, I enjoy trolling men who have very unrealistic expectations.

Speaker 1 ([00:11](#)):

You like trolling men who have unrealistic expectations. I like it. Yeah.

Keisha ([00:17](#)):

Yeah. So there's this guy who had a profile that city wanted a girl with double BS and she needs right. That's how it started. And then he said that she should be available to 10, his every want and me 24 7 cook every meal and be like a size two.

Speaker 1 ([00:35](#)):

Wow.

Keisha ([00:37](#)):

And he actually started a with me and I was like, well, first of all, I'm none of those. So I don't even know why you're talking to me. So I was like, okay, well, I'm just gonna mess with this guy now because clearly, like I have no idea why he is talking to me. I don't need any of these qualifications. I don't, I'm nowhere near any of these qualifications. And so he said, tell me some things you like, and I said, gold jewelry shining so bright. And he was like, tell me more. And I said, strawberry champagne on ice. And he is like, is that even a thing? And I said, I'm not done yet. I like silk sheets and diamonds, all what he goes, wow, what a list that seems incredibly high maintenance.

Speaker 3 ([01:27](#)):

And

Keisha ([01:28](#)):

I just said, lucky for you. That's what I like. And he goes seriously. And I go, it's what I expect out of the deal. If I'm going, if this is going to work, especially if I'm doing all the work around the house and have to be available 24 7. Exactly. He was like, yeah. And he was like, peace. So like, I mean, thanks Bruno Mars for the assist on that one.

Speaker 1 ([01:50](#)):

Absolutely. That's so beautiful.

Keisha ([01:52](#)):

I mean, I love that Bruno Mar song. So I was like, okay, I, I have to mess with him. And I have to kind of give him these like things that I love. I mean, if strawberry champagne really is a thing, I mean, I'm all for it.

Speaker 1 ([02:04](#)):

That's that is, that is so beautifully played. And what I love is that he thinks you're high maintenance. Did he even look at his own profile? He's wildly high maintenance?

Keisha ([02:16](#)):

Well, I'm, I'm sure that his idea was, I'm just gonna find this girl. Who's gonna do everything that I wanted to do and not have any, you know, so I was like, dude, I'm just messing with this guy.

Speaker 1 ([02:26](#)):

I say, kudos to you. That is a wonderful play.

Keisha ([02:30](#)):

Thank you.

Speaker 1 ([02:31](#)):

The second, you, the second Utah started talking about what you wanted. I thought, oh my gosh, she's gonna Bruno Mars. This guy,

Keisha ([02:39](#)):

I sure did. It was amazing. And I remembered doing it and I was like laughing to myself. I thought I was like, oh my gosh, I'm so funny. I'm so funny.

Speaker 1 ([02:50](#)):

Well, you are, that's the cool thing, but sometimes you really feel it right. You can really just feel it.

Keisha ([02:56](#)):

Oh

Speaker 1 ([02:56](#)):
