

911 Gives Hope for the Holidays 2014

WISH LIST FOR: Evansville Psychiatric Children's Center

- A radio system with Bluetooth capability to be used in our gym and by the pool in the summer.
-

Items that would be used by all children at the Center:

- 3 Blue Ray DVD players
- 1 I Pad
- 35 IPod minis- Each child gets one on admission to help with calming
- Xbox 1Kinect and some games to go with it- Please note all games need to be rated E for everyone and have no guns or fighting
- 2 Nintendo DS and games- Please note all games need to be rated E for everyone and have no guns or fighting
- Wii games- Please note all games need to be rated E for everyone and have no guns of fighting
- 3- 16 inch Bikes
- 3- 20 inch Bikes
- Lift scooter
- Casio keyboard for the sensory room
- 36 inch real guitar for the sensory program

We have plenty of baby dolls and Barbies still in storage for the few girls we have. Some of our girls are older and like activities rather than toys. The children we have are from age 6-13 and the majority are around age 10. Here are some of the items staff say they express an interest in:

- Action figures
- Hot Wheels and track
- Kinex
- Lego sets
- Trivia games
- Nerf basketballs
- Regular basketballs
- Travel Scrabble
- Life Board game
- Monopoly board game
- Any other games that are for 8 years and up
- Markers
- Fingerpaints

We also give each child a stuffed animal on admission so we would love to have about 40 of the stuffed cats and dogs you just received as a donation. Thanks again for everyone's time and energy for this wonderful project. We truly appreciate it.
