III. RECRUITMENT INITIATIVES

	TYPE OF RECRUITMENT INITIATIVE (MENU SELECTION)	BRIEF DESCRIPTION OF ACTIVITY
1	Participation in Events/Programs Sponsored by Educational Institutions	On September 21, 2022 from 11:30AM to 1PM, Program Manager instructed a media and entrepreneur class on how to stand out in our current world at a College of Southern Idaho event. There were about 30 students in the classroom with an additional 60 to 80 who watched online at the time or in the recorded upload. We discussed social media representation, the importance of having an easy-to-find and user-friendly website, how online representation and interaction have changed over recent years, and SEO, headline, and image usage. The students were invited to ask questions.
2	Participation in Events/Programs Sponsored by Educational Institutions	On September 19, 2022 from 10AM to 12PM, Digital Sales Lead spoke to the Business Management and Entrepreneurship program class at the College of Southern Idaho on digital tactics and how they fit into advertising, the importance of advertising for their business digital campaigns, results, and reporting. There were about 30 students in the classroom with an additional 60 to 80 who watched online at the time or in the recorded upload. The students were invited to ask questions.
3	Internship program designed to assist members of the community to acquire skills needed for broadcast employment.	The stations hosted two student interns from the College of Southern Idaho multimedia program. The students each spent 50 hours over the course of 11 weeks (between September 16, 2022 and November 22, 2022) learning about SEO for businesses and the importance of online presence. The students learned how to best use photos, headlines, links, and timing for ideal reach when writing articles and each wrote two stories for the stations which were shared on four local station websites. The station worked with both students on how to create engaging graphics for social media (which were shared on station Facebook pages) and they assisted in creating and editing audio imaging to play on KOOL. The Program Director for the stations supervised the interns.
